

Marlborough Fire Station Marlborough, Massachusetts

Project

Construction of
Marlborough Fire Station
215 Maple Street
Marlborough, MA

Owner

Town of Marlborough
Marlborough, MA 01752

Architect

Keyes Associates
Waltham, MA

Cost

\$2,400,000

Size and Type of Construction

In 1995, Seaver completed a new, state-of-the-art, single-story, 4-bay firehouse for the town of Marlborough. In addition to the 4 truck bays, the building houses sleeping accommodations for the firefighters on one side and administrative offices on the other side. The building includes fire truck bays, sleeping quarters and administrative offices.

Types of Space

Municipal
