Newton Upper Falls, MA 02464

Cost

\$1,216,104

Size and Type of Construction

Established in 1886, The Tidd Home for Aged Women is an historic facility. Seaver completed the phased renovations to keep the home open and in operation. The work provided private bathrooms for each resident, and modified living spaces, dining spaces and a screened porch. We also updated the heating system, central air, plumbing, electrical and added a new elevator. Exterior work added an egress and a new canopied entry.

Types of Space

Elder Care
