Project Summary

Hanover Senior Center consists of a 7,000 sq. ft. building offering a facility to the Town Seniors for multiple functions thus the main room is named multipurpose room. Seniors have the opportunity to schedule programs for Arts and Crafts, Fitness, Movies and any Social Event. The lounge adjacent to the lobby and reception offers a place to relax in front of a gas fireplace. A full time Program Director and administrative staff reside with ample office space located in the reception area.
