Size and Type of Construction

North Suffolk Mental Health Association provides community mental health care. Work to this facility included the complete renovation of an 1850's mansion in Haverhill, MA. Interior work included rehab to three floors of finish work as well as plumbing, mechanical, fire and life safety systems electrical upgrades. Exterior work included new painting, slate roofing as well as handicap ramps, and siding.

The residential space includes living spaces, kitchen & dining areas, bedrooms and bathrooms.

Types of Space

Residential Mental Health Care
